## Order to the Cords! (and More)

Tame tangled electrical cords with a set of handy **Cord Control Labels** (\$12) from Canadian company **Mabel's Labels**. The fold-over stickers let you track cords on everything from lamps, TVs and computers to phones, fans and even the microwave. Mabel's line also includes bag and gift tags, labels for storage

containers of all sizes and, just in time for camping season, **supersticky Tag-Mates** (\$21). These personalized labels stick to clothing tags (no sewing or ironing) even **through multiple launderings** – or dips in the lake! Order online at [mabel.ca](http://mabel.ca) or call 1-866-30-MABEL. Shipping is free, but prices don't include GST.
