

Labeling made easy

Don't know what's worse—lost shoes, jackets, and sippy cups, or the annoyance of labeling every item your child takes out of the house? **Mabel's Labels** solve both problems, and they're cute to boot. Choose from:

- **Sticky labels** that affix to any flat surface and are dishwasher-, microwave-, and little-fingernail-resistant.
- **Shoe labels**—round and extra-sticky to stay put inside sneakers.
- **Iron-on labels** that won't come off in the

wash, pool, or sprinkler.

Besides your child's name, you can choose to personalize the labels with one of 25 icons, from planes to princesses. (Combo pack with 40 sticky labels, 24 shoe labels, and 50 iron-on labels, \$36; www.mabel.ca)
